Co-founder of The ISIS Foundation and President of the Kathmandu Kids Club Sharon Beesley said, "Although the Club will raise funds from the Christmas Market for the Foundation's projects, we very much hope to also raise awareness in Bermuda of the Nepalese and Ugandan communities with whom the ISIS Foundation is privileged to work with.

"For instance, ISIS has been able to make a substantive difference to the lives of thousands of people in Nepal and Uganda and this is in no small part due to the kindness and generosity of Bermudians.

"The Kathmandu Kids Club has tirelessly fundraised for The ISIS Foundation for almost five years now and we are hugely grateful for the support they have given us.
